C.C.No.3765. Dated the 17th September 1953.
Read the following:-

From the Chief Engineer(Irrigation) No.2479/53 .2 dated 3-7-1953.

...

STATE:-

In the Canals Division, Kumbakonam Project, an/ expenditure of Rs.44,196/- was incurred on maintaining transport to water lorries during 1948-49 while the outturn realised by the lorries was Rs.41,840/- only during the year. Thus the expenditure under the item exceeded the outturn by Rs.2356/- in 1948-49. This excess was due partly to the fact that most of the vehicles went out of order very frequently and consumed a large quantity of petrol. The excess was also partly due to a wrong debit of Rs.1050 to stock manufactured. In the circumstances the Chief Engineer(Irrigation-I) has requested that the excess may be regularised. The Government accordingly sanction the excess of Rs.2,356/-(Rupees two thousand three hundred and fifty six only) referred to.
